

Small Church Groups

We are excited to announce that this year we are forming small groups as part of our mission to find new ways to create connection and community among members of our congregation. The goal of these small groups is to grow deeper in our relationships with one another, supporting each other in life's ups and downs as we continue to follow Christ and grow in our faith.

We are aiming for 8-10 people per group, with times and days to be determined by the needs of each group.

There are currently two women's devotion groups which meet in the overflow area at the back of the sanctuary:

a **morning devotion group** that meets
7-8 AM on Fridays,

and an **evening devotion group** that meets
6:30-7:30 PM on Thursdays.

The Adult Discussion group meets **Sundays** at **9:30 AM**, before the worship service.

Please contact

the church office (515-996-2572)

or

Heidi Myers (hmyers919@msn.com or 515-720-4364)

if you wish to be part of a women's small devotion group, and we will make sure you are placed in a group that best aligns with your schedule.

If you have an interest in forming a small group, please let us know! Whether it's a men's group, a young professionals' group, an empty nesters' group, a couples' group, a grief group, etc., there are many opportunities to connect with people who share some common experiences and grow in faith together. If you'd like to get one started, we would be happy to help. Contact Heidi (or any member of the SPRC) or the church office.
